REF. NO. 00015/2026

Subject: Letter of Recommendation for Abdul Moneam Riad**To the Admissions Committee,**

It is my distinct pleasure to highly recommend **Abdul Moneam Riad** for admission to your university. Abdul Moneam completed two summer internships with us at **Seagull Global for Business Development** in 2024 and 2025, serving as a Web Development Intern.

As our company's first intern, he stepped into a newly established role with remarkable maturity, adaptability, and initiative. Throughout both internship periods, he consistently demonstrated a strong work ethic, professionalism, and a genuine commitment to excellence. **Abdul Moneam** contributed meaningfully to our web development projects, applied his technical knowledge effectively, and continuously sought opportunities to expand his skills.

Beyond his technical abilities, he exhibited reliability, strong communication skills, and a positive attitude that made him a valued member of our team. His intellectual curiosity and dedication to growth clearly indicate his readiness for higher academic challenges, particularly in computer science and related technological fields.

I am confident that **Abdul Moneam** will bring the same level of commitment and capability to your institution as he did to our organization. I wholeheartedly recommend him without reservation.

Please feel free to contact me should you require any additional information.

Sincerely,

Dr. Nawrass F. Shrourou
